Experience

Front-End Web Developer Intern

June 2022 – July 2023

Dabotics Pvt.Limited India

Bareilly Uttar Pradesh

- Collaborating closely with the development team, I gained hands-on experience in translating design concepts into responsive and interactive web interfaces
- During my internship, I honed my skills in HTML, CSS, and JavaScript, while also gaining exposure to popular frontend frameworks such as React.

Projects

Teacher Hub Website | *HTML, CSS, NodeJS, ExpressJS, MongoDB* | [Link](#)

- Developed a website for student to find their faculty details
- User can search their faculty name or id and after that faculty details is visible with timetable

Realtime chat App | *HTML,CSS, ReactJS, Firebase* | [Link](#)

- Developed a userfriendly, intuitive and responsive realtime chat app using React.js.
- It boasts an intuitive and easy-to-navigate interface, ensuring a smooth and enjoyable experience for users of all levels.

Expense Tracker website | *HTML5, Tailwind-CSS, ReactJS, Firebase* | [Link](#)

- Developed a robust Expense Tracker application using React.js for the frontend and Firebase for backend services.
- Integrated Firebase as the backend service for real-time data storage and retrieval.Utilized Firebase Firestore to manage and store expense data securely.

Certifications

Front-End Web Development with React

The Hong Kong University of Science and Technology | [Link](#)

Build Dynamic User Interfaces (UI) for Websites

Google | [Link](#)

Technical Skills
